WONG THE PATHFINDER.

fornia Since 1844.

Quality and Quantity.

How Good? That is one of the questions ever confronting the buyers of Dry Goods. The other is How Much?" Some dealers continually harp-upon the quality of their goods and try to give them a fictitious value by asking an extraordinary price. Others · tak quantity only and sacrifice worth to bulk. Our plan is to give the best quality in the largest quantity, more goods and better goods for a dollar than thy store in town.

FOR. EXAMPLE.
